WINERY:

Our vineyards have been owned and tended by our family for five generations.

Josef Stehlik founded our winery in the 19th century and passed it on to his son Matthias Lentsch who was followed by Herlinde Lentsch later. Herlinde's daughter Andrea took over and currently Andrea's daughter Desily Lentsch is our winemaker.

Our quality, cabinet and predicate wines thrive on 3 hectares of sandy soil in the Hell Nature Reserve. About 2000 hours of sun a year support the powerful taste of our wines. We pick the grapes by hand which also contributes to an excellent quality of our products.

Our subsidiary is run by 'Weinbau Desily' in the 5th generation.
